## Wonder Walk 2018

Nurturing Bodies • Developing Minds • Fostering Hope Through Christ...One Child at a Time

Since 1892, Cornerstone Family Ministries has provided children living in poverty access to nutritious food, early childhood education and connections to local Churches. Last year approximately 20,000 children throughout the Tampa Bay Area were helped and over 5,300,000 nutritious meals served. Wonder Walk is held specifically for the purpose of raising scholarships for children ages infant to 5 years to attend Cornerstone's Rosa Valdez Early Childhood Learning Center & Lab School so their parents can go to work and/or school, and break the cycle of generational poverty.

Pray for Cornerstone's Children While You Walk, Run or Ride or Sit and Cheer!
