

WIC can make a difference to you!

WIC provides healthy foods that are good for you, your infant, and your child, plus helpful nutrition information—all at no cost. For more details, call your County Health Department or call toll-free **1-800-342-3556**.

Florida Department of Health | WIC is an equal opportunity provider.

WIC serves Women, Infants, and Children:

Women who are pregnant or breastfeeding

Women who have recently been pregnant

Infants under 12 months of age

Children under 5 years of age
